

United Paranormal Project Training Curriculum

UNIT II: TRAINING WITH FIELD TRAINING INVESTIGATOR (FTI)

After the completion of this unit, the member will be able to:

1. Understand the purpose of your training with your FTI.
2. Understand UPP protocol during investigations.

1. PURPOSE OF FIELD TRAINING INVESTIGATORS

- Each new UPP member shall be put with a Field Training Investigator (FTI) to learn how UPP works, investigates and to learn how to operate the equipment.
- When the Field Training Investigator feels the new member is ready, they will be taken off of probationary status.

2 INVESTIGATION PROTOCOL

- No whispering
- Tag audio whenever you make a noise, go into a room and if you hear a noise from outside.
- Identify other noises that can be identified.
- Make sure equipment is working properly.
- Listen and learn.
- Do what the FTI instructs you to do.
- No SMOKING inside any location we are investigating.
- Don't bring a bad mood or an attitude problem with you to the investigations.
