

# United Paranormal Project Training Curriculum

## UNIT X

### SUBMITTING EVIDENCE

After the completion of this unit, the member will be able to:

1. Understand the procedure of submitting any evidence found during the analysis of the date.

#### **1. PURPOSE OF KNOWING THE PROCESS OF SUBMITTING EVIDENCE TO THE TECH MANAGER.**

- After you have thoroughly gone over all of the data that was assigned to you for analysis you will then need to cut out the particular pieces of evidence from the audio and/or video and submit it to the Tech Manager, Director, P.R. Manager and Case manager.

#### **2. Submitting the Data Evidence**

1. Each member shall submit any and all evidence to the Tech Manger, Director, P.R. Manager and Case Manager. If there is a piece of footage or audio that you are not sure about, submit it to the Tech Manger, Director, P.R. Manager and Case Manager.
2. After the Tech Manager receives all of the evidence he will compile all of it and send it out to the others in UPP Management to review and give their opinion on. When UPP Management has obtained a general consensus, the evidence deemed paranormal shall be organized by the Tech Manger and made ready for the Reveal and for posting on the websites.
3. Any and all Data from a UPP Investigation is solely the property of UPP. Express written consent will need to be granted to use such evidence for personal use.
4. At the present time the Director will secure all of the footage in the U.P.P. Archives.
